

About us

The Brien Center is a community-based, non-profit agency with over 90 years of history of providing a continuum of care for children, adolescent, adults and families who are living with serious behavioral health disorders. We are guided by the belief that everyone in Berkshire County benefits when people are emotionally healthy. Serving over 10,000 annually, we are the leading provider of mental health and addiction treatment services.

Career Opportunities - May 4, 2018

The following require a HS Diploma/GED and may require additional education/experience as noted:

Accountant - Full-Time in Pittsfield

- This position provides accounting and analytical support to the Finance Department and management. In addition, the Accountant coordinates the tracking and application of all payments and recording to the general ledger, while performing a variety of accounting functions. Associates degree in related field with accounting experience required; Bachelor's degree and 2-4 years of accounting experience, non-profit or medical, preferred.

Care Coordinator - Behavioral Health Community Partners - Full-Time in Pittsfield

- This position will provide outreach, engagement, assessment, and person-centered treatment planning for individuals within the Brien Center's Behavioral Health Community Partner (BHCP) Program. The Care Coordinator provides specialized care coordination and management services to enrollees, while engaging one-on-one to integrate and support care transitions. Position requires a driver's license with use of an insured vehicle. A 4-year degree in Human Services or a related field OR 3-5 years Human Services experience required for Specialist positions.
