Out of work for more than six months?

Need training to secure the right job?

Don't have a resume?

Lack computer skills?

Haven't interviewed in a while?

Mass Talent Connect can help you update your skills and connect to the right job.

Administered locally through the ***BerkshireWorks Career Center***, Mass Talent Connect is designed to address the needs of people who are long-term unemployed, those that have been out of work for more than six months. We provide assessment, employment counseling, workshops, networking, job placement, training and on-the job training opportunities.

Let us help connect you to the right job!
